More. The Barbie Fashion Show is an interactive fashion-themed video game for the Nintendo Wii. Players assume the role of Barbie as she takes part in an exciting and unique fashion show at Paris Fashion Week in Paris and Milan Fashion Week in Milan. The game features 14 different unique shops with different designs and styles, and challenges players to create outfits that will be seen in the real fashion shows. The game also features special items that players can purchase to use in the game, such as perfume, nail polish, or a jacket. Contents Plot Synopsis In Paris, Barbie is invited to Paris Fashion Week. However, she does not think she has the skills to be a fashion designer. Before the show, she meets Helmut and he shows her some special designs he has come up with. Helmut also introduces Barbie to her other designer friends, such as Andrea, Thomas, Pierre, and Fiona. She also meets her mom who is dressed up and takes her to the stage. The opening act is a French singer named Lili who

comes on stage with a jazz-style band to perform. In Milan, Barbie and her friends arrive in Milan to watch the fashion shows. Unfortunately, she is invited to the wrong party and meets a man named Massimo who takes her to the wrong location. After some confusion, the two of them eventually find their way to Milan Fashion Week. At the show, she meets Justin, who plays her friend Jimmy on TV. Jimmy shows her some costumes and models for her to try out. Justin, her boyfriend, watches her put on the outfits and is impressed. In the dressing rooms, Barbie takes her friends' advice on how to dress and chooses the perfect outfits for the show. Barbie also meets Monique who is working on the stage designs. Barbie is a little nervous because this is her first big fashion show, but she goes onstage to perform. However, her worries are soon alleviated as she performs a dance number and finishes up the show. The show is a big success, and Justin feels proud of her. After the show, Barbie and Justin enjoy a night out, but they are soon stopped by a policeman. Justin has an important meeting the next morning and, despite the fact that he had a few drinks the night before, is now too hung over to go out, and has to stay home. On her way to her meeting, Barbie encounters the same policeman again. However, she is not worried this time because she knows that her 82157476af
